(i) Remarks

**DESCRIPTION OF PROPOSED WORKS**

Water to be diverted from the creek channel by means of dams across the State manner in which water is to be diverted, whether by dam or other works, whether through pipes, ditches, flumes or other conduits. If water is to be stored in reservoirs, it should be so stated and the location of the reservoir should be given with reference to the legal subdivisions. a number of storage reservoirs, thence into ditches which convey the water to the lands to be irrigated.

5. Estimated cost of works \$2000.00

6. Estimated time required to construct works already constructed.

7. Remarks: The diversion and use of the waters of Shell Creek thru the above described ditches was made by the predecessors/interest of the Applicant, the storage reservoirs were made by the Applicant in the years 1922 and 1924 to conserve the water, since that time they have been utilized and kept in working condition by him.

Jose Castillo, Applicant.

**APPROVAL OF STATE ENGINEER**

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights. It is understood that the right to use of water granted under this permit is limited for use on those lands that do not have a decreed water right. A substantial measuring device must be installed and maintained to facilitate the measurement of water. The State reserves the right to regulate the use of the waters herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed One (1.0) cubic feet per second.

Actual construction work shall begin on or before October 27, 1939

Proof of commencement of work shall be filed before November 27, 1939

Work must be prosecuted with reasonable diligence and be completed on or before October 27, 1942

Proof of completion of work shall be filed before November 27, 1942

Application of water to beneficial use shall be made on or before October 27, 1944. Proof of the application of water to beneficial use must be filed with State Engineer on or before November 27, 1944.

Map Filed July 1, 1938  
Proof of commencement of work filed APR 22 1940  
Cancelled JAN 12 1944 because of failure of  
applicant to comply with provisions of permit.

WITNESS MY HAND AND SEAL this 28th day

of April 1939

ALFRED MERRITT SMITH

State Engineer.
